About us

Founded in 1987 in Antwerp, Belgium, we are one of the major players in multi-modal transport; we assure our clients a smooth, safe and end to end coordination for their cargo, no matter how far the destination is.

Description

We are looking for a motivated & responsible candidate to enter in an internship at our office in Bucharest.

During the internship, you will get acquainted with the shipping industry and learn the basic skills for handling transports all around the world. You will be working together with an experienced team with both local and international knowledge of the shipping industry. Providing the internship has been successful, you will be offered an entry level position.

You must have a professional demeanour with excellent verbal and written communication skills. Attention to details, excellent organization skills and a fast paced mind is necessary to be able to work in a multi-tasking environment.

Company offer

We offer positive and friendly atmosphere with opportunities for advancement and personal growth in a modern working environment.

We will support you in finding your strengths and the best way to succeed within ECU. With us, you'll get a challenging, hands-on experience, a flexible schedule and motivating salary.

Qualifications

Students who are in their final or semi-final year of Bachelor's degree and above or following a Master degree

Evidence of passion, leadership and achievements in academic and/or non-academic activities

Analytical and critical thinking

Excellent command of the English language both written and spoken.
