

We are the mobility of the future: Together, the companies of the ÖBB Group do everything that a modern, reliable and environmentally friendly mobility chain needs.

Bringing easily the flow of goods on rail: Environmentally friendly and efficient end-to-end logistics solutions for every industry and logistics requirement - this is how we connect the conurbations and ports of Europe with emerging regions all the way to Asia. We, these are the 8,700 colleagues of the Rail Cargo Group, one of the leading rail logistics companies in Europe.

International Traineeship at Rail Cargo Group

Your job

- Unique 12 months- traineeship experience focussing on railway logistics
- Starting in September 2019, you will work four months at our subsidiary in Bucharest/Romania, followed by a four-month rotation at Rail Cargo Group in Vienna, after which you return to your first subsidiary
- Unique opportunity to become a future expert in one of our core functions logistics, sales or production

Your profile

- Dedicated university graduates with a degree in economics, engineering, logistics or similar
- Ideally you have recently completed your studies or bring along a maximum of 1.5 years of professional experience after your studies
- (Business) English language skills (written & spoken at a minimum CEFR B2 level)
- Additional language skills are welcome
- Team player with highly developed communication and social skills
- A mature and responsible personality with the drive for development and a hands-on mentality
- Experience in an international environment and project management is a definitive plus
- Willingness to work internationally

Our offer

- Interesting and exciting scope of activities in a team spirit environment
- Modern workplace with attractive conditions including training on- and off-the-job
- Attractive remuneration
- Future perspective in our Bucharest subsidiary after successful, performance-oriented completion of the program

Your application

In order to process your application properly please make clear in which country you are currently living and of which nationality you are.

If you meet the profile, we are looking forward to your convincing application (CV, letter of motivation, educational and work certificates/references) until **31/05/2019** at the latest. **Get on board and start your career at RCG!**
