- Customs Data Review and Analysis

General Job Requirements

- Maintain complete and accurate records on client projects
- Participate in improving and documenting internal processes
- Participate in development and continuous improvement of Tradewin products
- Communicate professionally with both internal and external customers
- Provide Support and Oversight to Tradewin Service Center Team Members

Applicant Qualifications

- Experience in HS Classification is preferred
- Bachelor Degree or Equivalent
- Excellent customer service skills, including written and verbal communication in English. Proficiency in a foreign language such as Spanish, Dutch, German, or French is a plus.
- Ability to manage a diverse workload and engage in an innovative cross-functional team environment with excellent writing skills (sentence structure, grammar, varied vocabulary, style, spelling, consistency, and attention to detail)
- Computer Skills (Word, Access, Excel, PowerPoint)
- Ability to work independently with little to no supervision
- Superior organizational skills, ability to prioritize and manage multiple tasks
- Ability to Travel
- Superior analytical skills

This position will be based in Bucharest, reporting to Tradewin's Principal based in London.
